Coping With Pandemic: Focus on Doing The Right Things

Strong Commitment to GCG Principles in every decision making process

BUMN

Aligning minority and majority shareholders interests

 Proactively being a strategic partner to policy makers, in order to achieve the best outcomes for all stakeholders.

Conservative accounting policies for Covid19 Restructuring

- Interest Accrual:
 - Being very selective in interest income accrual from loan moratorium.
 - Minimize risk of interest income reversal when the economic recovery from pandemic takes longer than expected.
- Loan Loss Provision
 - Despite regulatory relaxation on the classification of Covid19-restructured loan as Stage 1 loan, we are still going to assign higher loan loss reserve using our best judgment, to reflect high degree of economic uncertainties after loan moratorium period ends on March 2021.

Supporting employees, customers and communities

• We prioritize the health and safety of our employees, while keep supporting customers and communities during challenging period.

Strengthening the bank's endurance

Meticulous liquidity and capital management.

Support Measure During Covid-19

1. Work Safety Policy

Social distancing, work from home policy, business travel restrictions, building entrance procedures, required to wear protective equipments, health checks & employee isolation.

2. Employee Facility Program

Lunch, supplement, hand sanitizer & thermogun, transportation, official residence / hotel for Split Operation employee will be provided. Bereavement and scholarship will be provided for families of victims of the COVID19 pandemic.

3. Health Check Services

- Fast start in sales was prepared and helped to anticipate slow down due to Covid-19. Gross Written Premium (GWP) 1Q20 has gone strongly, as a result of successfully pushing Single Premium sales. This GWP increment by +19% YoY.
- AXA Mandiri Financial Services (AMFS) managed expenses to be lower than income growth. We also manage Management Expense Ratio (MER) at 11.9%, AMFS is still one of the company in the Indonesian Insurance Industry with the lowest MER. AMFS still going to continue to perform cost saving to manage current situation.
- Additionally, despite current condition, AMFS Risk-Based Capital (estimate) remains strong, significantly higher than OJK requirement of 120%.
