Exposure to Bank Mandiri's performance in January 2023.

February

1 – 2 February 2023

The 2023 Mandiri Investment Forum (MIF) with the theme "Prevailing Over Turbulence" was opened directly by President Joko Widodo and attended by more than 20 thousand participants from within and outside the country, including more than 8,500 foreign investors.

3 February 2023

Bank Mandiri cooperates with Wise to provide money transfer services overseas, it is hoped that with this collaboration customers can make more convenient, fast and affordable transactions. Bank Mandiri has a focus on building integrated financial solutions for customers, and this partnership is a step towards that focus.

9 February 2023

As a step to continue its commitment to support the development of micro, small and medium enterprises (MSMEs), Bank Mandiri optimizes the existence of Rumah BUMN (RB) which is part of the Social and Environmental Responsibility Program (TJSL). One of the implementations of the optimization strategy is to relocate the Bogor Rumah BUMN to a more strategic area in the Taman Kencana Area, Central Bogor.
